REMARKS

Introducing the stunning 2019 Axopar 37 Sun-Top, a remarkable sports cruiser that embodies both performance and elegance.

With an overall length of 10.8 meters, this vessel is designed for thrilling adventures on the water. The deep Vee hull, crafted from durable fiberglass, ensures exceptional stability and handling, making it perfect for both leisurely cruising and spirited outings.

Powered by twin Mercury Verado V8 AMS engines, each delivering an impressive 300 HP, the 37 Sun-Top boasts a cruising speed of 28 knots and a maximum hull speed of 38 knots, providing exhilarating performance. With a range of 280 kilometers, you can explore further without hesitation.

This boat is equipped with essential features, including a windlass for easy anchoring. The Axopar 37 Sun-Top is not just a boat; it's an invitation to experience the thrill of the open sea in style and comfort.

Key Features:
• Spacious walkaround deck layout
• Extended Sun Top roof for excellent sun protection
• Excellent handling and high-performance capabilities
• Well-appointed cabin accommodation
