REMARKS

CLOUD NINE is a 24.01m, Ferretti 780p planning motor yacht built in 2018.

Built with a GRP hull and superstructure, with teak decks, she has impressive speed and great efficiency thanks to her well designed planing hull.

Ferretti 780 features exterior and interior design by Zuccon International Project.

The yacht can accommodate up to 8 guests in 4 cabins and is maintained/operated by 3 full time crew members.

Powered by twin diesel 1.550HP MAN engines, providing the yacht benefits from a cruising speed of 25 knots, a top speed of 32 knots.

To ensure maximum comfort owners have installed fin stabilisers in 2021. The yacht is also equipped with a Seakeeper stabiliser.

CLOUD NINE is a flybridge yacht, with its streamlined design, sleek lines and sharp styling.

Key Features:
- Modern design and great layout
- Stern area featuring a beach club
- Fin & Gyro stabilizers
- Better than new condition
- 5 Year engine maintenance interval completed October 2025
