TECHNICAL SPECIFICATION

CONSTRUCTION

DECKS	Teak
HULL	GRP
SUPERSTRUCTURE	GRP

MAIN CHARACTERISTICS

TYPE	High Performance
BUILDER	Dalla Pieta
YEAR	2009 Refit: 2019
L.O.A	21,94 Mtrs/71,98 Ft
BEAM	5,65 Mtrs/18,53 Ft
DRAFT	3,22 Mtrs/10,56 Ft
FLAG	Greek
MAX. SPEED	36 Knots
CRUISING SPEED	24 Knots
CRUISING RANGE	200 NM
CONSUMPTION	11 Knots @ 80 ltrs/hr 27 Knots @ 150 ltrs/hr
FUEL CAPACITY	5,800 Ltrs
WATER CAPACITY	1,000 Ltrs
BLACK WATER	100 Ltrs
GREY WATER	300 Ltrs
OTHER	Holding: 400 Ltrs

MACHINERY

ENGINES	2 x 1,652 hp Caterpillar C32 DITA inboard Diesel (2008) (Annual service every 200 hrs)
ENGINE HOURS	April 2025 1,500 hrs each
GENERATORS	2 x 20 kW Kohler This twin-generator setup ensures redundancy and smooth AC power supply at sea
GENERATOR HOURS	April 2025 1,290 hrs
OTHER EQUIPMENT	Hot water heater for all bathrooms and galley (Linked to a 1,000 L fresh water tank) Hot and cold pressurized freshwater system via a 1,000 L freshwater tank and a high-capacity pressure pump. A water heater provides hot water to all showers and sinks. All guest bathrooms feature electric flush marine toilets connected to a holding tank system (~400 L capacity for black and grey water combined), allowing for zero discharge in environmentally sensitive areas Yacht Controller wireless remote docking system for engines/thrusters (Facilitating easy single-handed docking) Alternators Hardtop Rooftop Yacht Control
AIR CONDITIONING	Fully air-conditioned with 4 separate air-conditioning units (Ccooling/Heating) A reverse-cycle heating system is integrated for cooler climates
BATTERIES	Comprehensive battery banks (Total 21 batteries) for engine start, service, and thrusters – 5 dedicated engine start batteries, 4 batteries for bow/stern thrusters, and 12 deep-cycle service batteries. These batteries ensure reliable power supply to all systems on board Battery Chargers: 3 × Mastervolt 100A automatic battery chargers maintain the battery banks, supported by engine-driven alternators for charging underway
BOW THRUSTER	Electric
ELECTRICITY	24V DC ship's service with 230V AC power via generators or shore connection AC power is managed through the generator or a shore power inlet with appropriate transformers and distribution panel
GEAR BOX	Inboard with ZF gearboxes driving conventional shafts
INVERTER	3.5Kw installed to power select appliances and outlets, providing quiet AC power without running the generators
PUMPS	Automatic electric bilge pump system in all key compartments (With manual back-up pumps) for onboard safety High-capacity bilge pumps ensure rapid de-watering if needed
SHAFTS	230V shore power inlet with appropriate cabling allows the yacht to connect to dockside electricity This includes a shore power cable and adapter for seamless plug-in at marinas
SHORE POWER	230V shore power inlet with appropriate cabling allows the yacht to connect to dockside electricity This includes a shore power cable and adapter for seamless plug-in at marinas
STERN THRUSTER	Electric
WATERMAKER	Idromar producing ~120 ltrs/hour of fresh water

ACCOMMODATION

MASTER CABIN	The full-beam master suite is situated amidships on the lower deck for maximum comfort and stability. This grand stateroom features a queen-size double bed, flanked by nightstands, and two large wardrobes providing ample hanging storage. There is a built-in vanity/desk or office space to port, ideal for a private workspace or dressing table. Large hull windows (with opening portholes) fill the room with natural light and offer views just above the waterline. The master has a private en-suite bathroom with a spacious shower, an electric toilet, and a stylish basin and vanity. High-end fixtures, mirror accents, and generous cabinets are present in the en-suite. The overall ambiance of the master cabin is one of understated luxury and privacy, making it a true owner's retreat
VIP CABIN	Forward in the bow is the VIP guest stateroom, which features a centerline double bed and elegant cabinetry. This cabin offers a hanging wardrobe, overhead storage lockers, and ensuite access to a private bathroom. The en-suite for the VIP is tastefully appointed with a separate shower stall, electric toilet, and sink/vanity, ensuring guests have a comfortable and private space. Ventilation and natural light are provided by an overhead hatch and hull windows, both with shades for privacy. The VIP cabin's generous size and amenities make it comparable to a second master, ideal for principal guests
GUEST'S CABIN	To starboard is a Twin guest cabin featuring two single beds side by side, along with an additional Pullman berth (Fold-down bed) for a third person if needed. This flexible arrangement is perfect for children or extra guests, allowing the yacht to sleep up to 8 guests in total. Across the hall to port is a Single guest cabin with one twin bed. Both the twin and single cabins are well-appointed with storage lockers and reading lights. They share a third guest bathroom, which is accessed from the corridor. This shared bathroom is equipped with an enclosed shower, electric toilet, and sink, serving as the day head as well. All guest cabins enjoy individual air conditioning controls, opening portholes, and entertainment via flat-screen TVs and audio systems, ensuring every guest has a pleasant stay
CREW CABIN	A separate crew cabin is discretely located (Aft, with entrance from the cockpit or transom area) to ensure guest privacy. The crew quarters include two single bunk berths for up to 2 crew members and a private crew bathroom (Head) with shower. This cabin is finished to a good standard, providing crew with comfortable living conditions
MAIN DECK	The main deck salon is an open, airy living space finished in rich wood paneling and fine upholstery. It features two large L-shaped sofas with a coffee/dining table in between, creating a comfortable lounging and socializing area. A cabinet to starboard houses a pop-up 32" flat-screen TV and entertainment system, and a wine cooler keeps beverages at perfect temperaturefile-vfuwmetdd4r84qvz24l2rq. The salon's aft sliding doors open up to the cockpit, blending indoor and outdoor spaces for entertaining. The helm station forward offers a commanding view and has a twin seating arrangement for the captain and a companion. The hardtop sunroof above the helm and salon can be opened for fresh breezes. The galley (Located mid-ship, a few steps down from the salon) is smartly designed and fully equipped, allowing the chef to cater to guests with ease while remaining connected to the main living area
GENERAL ACCOMMODATION	Foredeck Lounge: Expansive foredeck sunbathing and lounge area with two large sunpads, three integrated forward sofas, and two removable cocktail tables. This bow seating area is perfect for relaxing and entertaining, and can be shaded with a fitted bimini or sunshade as needed Hardtop & Cockpit: The yacht features a sleek hardtop design with an electrically retractable sunroof in the overhead, allowing the main deck helm and saloon area to be opened to sunshine or starlight at the push of a button. The aft cockpit is teak-decked and offers two comfortable built-in settees with plush cushions and a large dining table for alfresco dining. For guest comfort, a cockpit wet bar (with fridge & sink) and an overhead spray hood or awning provide shade, while a cockpit shower is available for rinsing off after swims

GALLEY EQUIPMENT

COFFEE MAKER	Espresso
COOKER	Siemens 4 plates
DISHWASHER	Yes
FREEZER	Yes
FRIDGE	3 x Units
MICROWAVE	Yes
OVEN	Yes
WINE COOLER	Yes
ICE MAKER	Yes

LAUNDRY EQUIPMENT

WASHING MACHINE	San Giorgio

COMMU/TION EQUIPMENT

INTERNET	Wi-Fi internet system on board for connectivity, allowing guests to stay connected and use smart devices at sea. (Cellular 4G/5G router or satellite internet as available)
VHF	4 x Units for communication: one fixed VHF at the interior helm station, one fixed VHF at the exterior (Cockpit) helm, plus two handheld VHF radios This setup ensures constant contact capability from anywhere on board

NAVIGATION EQUIPMENT

OTHER EQUIPMENT	High-quality navigation lights Horn
WIND INSTRUMENTS	Wind speed and direction sensors installed for traditional navigation reference
AUTOPILOT	Raymarine ST6002 autopilot for reliable course keeping and ease of long-distance cruising. The autopilot can be integrated with the chartplotter for route following
COMPASS	Magnetic
ECHOSOUNDER	Raymarine for depth reading and a log-speedometer for speed through water
GPS-PLOTER	Dual Raymarine multi-function displays (E120 and E80) at the helm provide GPS chartplotting and navigation data The system is integrated with a Raymarine radar (for ARPA and target tracking), offering comprehensive situational awareness on a single interface
SEARCHLIGHT	Yes

ENTERTAINMENT EQUIPMENT

OTHER EQUIPMENT	High-end entertainment systems are fitted throughout
CD	Yes (In Cabins)
DVD	Yes (In Cabins)
STEREO SYSTEM	Fusion Surround System Speakers (Salon, On deck)
TV	1 x 55" (Master Cabin) 1 x 32" (Salon) 2 x 24" (VIP Cabin, Twin Cabin)

TENDERS & TOYS

TENDER	A full-beam hydraulic tender garage is built into the transom. It houses a Zodiac RIB tender with a 125 hp Honda outboard engine, included with the yacht. The garage's hydraulic door and winch system allow for easy launching and retrieval of the tender. This garage also provides dedicated storage for water sports equipment and dive gear

DECK EQUIPMENT

OTHER EQUIPMENT	Sunbathing cushions Underwater LED lights are installed on the transom, creating a beautiful glow in the water at night. The deck is equipped with courtesy lights along walkways and steps for evening ambiance and safety Fenders
ANCHOR	Heavy-duty reversible electric windlass with chain counter at the bow handles the main anchor and chain. Stern mooring capstans (Electric warping drums) are fitted aft for easy line handling during docking (Med-moor style) Stainless steel cleats and fairleads are positioned for secure mooring
BIMINI TOP	Yes
GANGWAY	Besenzoni (Or similar) hydraulic telescoping passerelle for Med-style stern-to boarding The gangway extends to the quay, complete with teak grating and handrails, and retracts into the stern when not in use. It also doubles as a convenient loading platform for provisions
PASSARELLE	Hydraulic
STERN PLATFORM	Teak-laid hydraulic bathing platform at the stern, with a folding swim ladder for easy water access. The sizeable swim platform makes launching water toys simple and also serves as a beach club area when at anchor. Teak decking was renewed in 2018, so all exterior teak surfaces present in excellent condition
CHAIN	Counter
LADDER	Bathing

SAFETY EQUIPMENT

LIFE JACKETS	Yes
LIFE RAFT	Yes

OTHER EQUIPMENT

COMPUTER	A ship's computer or dedicated navigation center is present for route planning, and all controls for engines and thrusters are duplicated at the main helm and remote stations for convenience

REMARKS

The 2009 Dalla Pietà 72 is a perfect combination of power, elegance, and refined design, built for those who appreciate both speed and comfort. This high-performance Italian motor yacht offers a spacious and stylish interior, well-designed outdoor areas, and impressive cruising capabilities.

Powered by twin Caterpillar C32 DITA engines (1652HP each) with shaft drives, she comfortably cruises at 24 knots, reaching an exhilarating 36 knots at full speed. The bow and stern thrusters ensure effortless docking and smooth maneuvering in tight marinas.

Her interior exudes luxury, featuring a bright and spacious salon with large L-shaped sofas, a wine cooler, and a premium Fusion sound system for entertainment. The fully equipped galley is fitted with Siemens appliances, allowing for effortless onboard dining.

This Dalla Pietà 72 offers luxurious accommodation for up to 8 guests in 4 cabins, plus separate quarters for 2 crew. Notably, the interior benefited from a complete refit in 2019, featuring all-new upscale furnishings, finishes, and equipment throughout. The decor is modern yet inviting, with high-quality materials and an immaculate finish. Large windows and the opening hardtop roof bring in abundant natural light to the main deck, enhancing the sense of space and connection to the sea.

Designed for relaxed cruising or entertaining guests, her teak-laid exterior spaces include a large aft cockpit with a dining table, two forward sunbathing areas, and a hydraulic garage housing a Zodiac tender with a 125HP Honda engine. A hydraulic gangway, cockpit shower, and LED underwater lights add to her practicality and style.

Why Choose This Dalla Pietà 72:

- Recent Upgrades – Full interior refit (2019), new teak decks (2018), and upgraded hydraulic aft table
- Spacious & Functional Layout – Four well-appointed guest cabins, plus separate crew quarters
- Powerful & Efficient Performance – Twin Caterpillar C32 DITA engines, cruising at 24 knots, maxing at 36 knots
- Fully Equipped for Comfort – Air conditioning, generator, and well-appointed galley with Siemens appliances
- Expansive Outdoor Spaces – Large cockpit, forward sunbathing areas, and teak bathing platform

With her luxury, speed, and recent refits, this yacht is a perfect choice for private use or charter. Ready to cruise in style and comfort.

Key Features:
- Full interior refit in 2019
- Plenty extras and upgrades
- Immaculate condition
- Retractable hardtop

Upgrades:
- Full Interior Refit 2019
- Teak Deck 2018 (New)
- Hydraulic Aft Table 2018 (New)
- Tents Fore + Aft 2018 (New)
- Cushions Fore 2018 (New)
- Every Year Antifouling
- Hydraulic Table 2018 (New)
