COMPUTER	Yes

REMARKS

This Ferretti 500 Elite is a fine example of a well-kept Italian flybridge.

The 2006 Ferretti 500 Elite motor yacht offers the perfect blend of luxurious elegance, powerful technology, and top-notch craftsmanship What sets this Ferretti 500 Elite apart are the relevant updates it has recently undergone.

The navigation instruments have been upgraded, providing you with state-of-the-art technology for safe and smooth navigation. In addition, a newly installed diesel heater ensures you remain comfortable even in cooler weather. Another highlight of this yacht is the expertly designed transformation of the internal stairway from the salon to the flybridge. Instead of a stairway, an elegant co-pilot seat has been installed, not only enhancing the salon's design but also offering better visibility and communication between the captain and co-pilot.
In terms of performance capabilities, the Ferretti 500 Elite confirms the agility of the 500 with a cruising speed of 24 knots and a top speed of 30, thanks to the MAN engines delivering 800 hp.
In very good condition, this yacht is ready for immediate use for unforgettable experiences on the water.

Key Features:
- Maximum comfort
- Unique Lines
- Full Interior refit in 2021
- Complete engine overhaul in 2021
- All navigation equipment (New 2021)
- Excellent condition

Recent Works & Upgrades:
- Engines rebuilt in 2021 by an authorised MAN dealer in Italy, with all invoices available
- Only approximately 570 engine hours since rebuild
- Engines professionally maintained and in excellent condition
- Navigation equipment upgraded in 2021
- 7 x AGM batteries installed in 2026 (New)
- Diesel heater (New)
- Mattresses in all cabins (New)
- Hauled out every winter for the full winter period
- Used only for approximately two months each summer
