REMARKS

The Ferretti 68 is a 69-foot luxury motor yacht with a flybridge that was produced by the iconic Italian yacht- building brand Ferretti.

The salon area is cozy, with grey and cream colors, creating a nice atmosphere. She can comfortably accommodate up to eight guests in one Master cabin, one VIP, one Twin with two single beds convertible to double and one Twin cabin with upper and lower berths.

Crafted in partnership with naval stylists Studio Zuccon, the FERRETTI 68 bears a distinctive sharp profile with a flared flybridge, cresting wave side windows, a fine bow and an aerodynamic roll-bar to guarantee that this vessel stands out from the crowd even to this day. The boat benefits from continuous maintenance with a complete refit in 2022 and is presented in a turn key condition.

Twin MAN of 1,200hp main engines enable a maximum speed of 33 knots.
