REMARKS

Built by Feadship in 1989, and refit in 2023, the yacht boasts all the hallmarks of a classic northern European pedigree build. KASSANDRA welcomes 12 guests in seven staterooms, including a master suite on the main deck.

KASSANDRA enjoys a shallow draft, large volume and storage for a generous water toy collection.

The 2022 refit saw significant updates, including a complete technical overhaul of the engines, generators, stabilizers, AC system and new navigational equipment in the bridge. A new galley was fitted and new upholstery throughout guest areas, including a full conversion of a twin cabin to double VIP.

An extension of the swim platform and redesigned staircase delivers more space at the stern and comfortable access to tenders. The yacht also benefited from a full repaint in pristine white. The tender has been fully refurbished with a new engine installed.

KASSANDRA, has been successfully introduced to the charter market in 2022 and already benefits from repeat charterers and a full charter calendar. Previous 2 Owners have only used the yacht private since delivery.

Key Features:
• Large volume
• Major refit in 2022
• Excellent Charter Records
• Welcomes 12 guests in seven staterooms
• Spacious swim platform extension delivers an area for relaxing at water's edge
