REMARKS

The Lagoon 620 combines the elegance of a superyacht with the modern demands of cruising. With exceptional performance, luxurious details and versatile customization options, it is the perfect long-distance yacht.

She offers an unrivalled experience on the water - from the luxurious interior to the impressive sailing performance. The spacious saloon with refined furniture, leather inlays and elegant window panelling creates an exclusive ambience, especially in the Essence version. The large cockpit and flybridge offer plenty of space for socialising and relaxing with panoramic views.

Well-maintained and kept Lagoon 620. Equipped to a high standard with many extras. Finished in Apli walnut, Asburgo flooring, and smart shark colour upholstery. The hull is gelcoated in a light grey from the factory. The prt bow cabin is equipped with a shower and toilet, as well as the crew bed. The Stb bow cabin has been converted to a toy and tool storage room.

Full safety equipment for commercial chartering on board for 12 pax
Annual surveys and inspections are all recorded and available on demand. With customizable layouts and high-quality materials, the Lagoon 620 is ideal for owners who want to combine luxury and adventure.

Key Features:
- Long-range yacht with superyacht character
- Essence version with luxurious interior and details such
- Customization: Wide range of layout and design options for personal requirements
- Exceptional performance: Large sail plan and infusion moulded hulls for stability and speed
