REMARKS

The Axopar 37 Sun Top – MAESTRO perfectly combines Scandinavian design, sporty performance and exceptional versatility. With her sleek lines, innovative walkaround layout and extended Sun Top roof, she offers an excellent balance of comfort, functionality and performance.

Her spacious deck provides generous areas for relaxation and entertaining, while the sheltered cockpit ensures protection from the sun and changing weather conditions. The well-designed interior offers comfortable accommodation, making her equally suitable for day cruising and longer coastal adventures.

Powered by twin outboard engines, the Axopar 37 Sun Top delivers an exhilarating cruising experience, excellent handling and impressive performance. Whether exploring secluded bays, enjoying watersports or cruising between destinations, MAESTRO is an ideal choice for those seeking adventure and comfort on the water.

Key Features:
• Spacious walkaround deck layout
• Extended Sun Top roof for excellent sun protection
• Excellent handling and high-performance capabilities
• Well-appointed cabin accommodation
