REMARKS

Built by the renowned Heesen Yachts in 2010, significantly updated during 2023-2026 refit, with a total hull repaint in 2024 and an interior upgrade, TOTEM is looking brand new.

This 165-foot superyacht is the epitome of opulence. She is a fine specimen with an aluminum hull that gleams under the sun, inviting discerning seafarers onboard for an unforgettable journey.

Step inside TOTEM where the interior design by Mojo Stumer Architects resonates with elegance and comfort and accommodating up to twelve guests across five lavish cabins. Each cabin exudes warmth and tranquility – perfect sanctuaries after a day full of adventure at sea. The master stateroom stands out with its exquisite decor, plush furnishings, and spacious layout offering stunning ocean views right from your bed.

TOTEM's exterior design is nothing short of breathtaking. Her sleek silhouette cuts through waters with grace and poise at a cruising speed of 13,5 knots and can reach up to 15 knots when required. The yacht boasts a generous beam width of 31 feet, providing ample space for relaxation and entertainment on deck. Her sundeck is adorned with luxurious amenities including a Jacuzzi where guests can unwind while savoring panoramic sea views or bask under the starlit sky at night.

TOTEM not only promises extraordinary comfort but also offers state-of-the-art amenities for entertainment and leisure activities onboard, all this while being powered by two MTU 1,160 hp each.

Above, the sundeck includes a forward-facing Jacuzzi, wide sunpads, and a luminous, enclosed gym with air conditioning. At the water’s edge, a beach club and swim platform create a comfortable connection to the sea. Stabilizers support a smooth experience both at anchor and underway, rounding out a charter setting designed for privacy, comfort, and time spent outdoors.

She has been successfully introduced to the charter market in 2025 and she is the largest Heesen available for charter in Greece!

TOTEM represents an exceptional blend of performance, luxury, and style making it one of the most sought-after superyachts in its class!

Key Features:
- 10-Year Survey & Major Engineering Refit (2024)
- The epitome of Dutch quality and Heesen pedigree at 50.5m and 668GT, she is the largest Heesen for charter in Greece
- Completed full hull repaint in 2024, with new furniture and decorations installed in 2025
- Striking lines by Omega Architects and a stunning interior by Mojo Stumer Architects
- Huge full-beam master cabin with a study
- Stunning sky lounge that opens to the aft bridge deck with a dining table and lounging sofa bed
- Large sundeck with a luminous gym and forward-facing hot tub
- Top-notch crew led by one of the most experienced captains in the charter industry, with excellent reviews
- Stabilizers at anchor and underway
- Enclosed gym with A/C and upgraded water toys, including new diving equipment
