TECHNICAL SPECIFICATION

CONSTRUCTION

HULL	Carbon and Kevlar sandwich construction with Kevlar outer skin, carbon inner skin and structural foam core Full topsides and superstructure repaint (white) - 2019
SUPERSTRUCTURE	Carbon
DECKS	Teak laid side decks and cockpit

MAIN CHARACTERISTICS

TYPE	Pendennis Wally 106
BUILDER	Pendennis Shipyard Ltd
DESIGNER	Interior Designer : Lazzarini & Pickering Naval Architect: Luca Brenta & Co Exterior Designer: Luca Brenta & Co
YEAR	1998 Refitted: 2020/2021
CLASSIFICATION	ABS
L.O.A	32,70 Mtrs/107,30 Ft
L.W.L	28,73 Mtrs/94,26 Ft
BEAM	7,90 Mtrs/26 Ft
DRAFT	5 Mtrs/16,40 Ft
FLAG	Cook Islands
GROSS TONNAGE	102,000 Kgs / 224,870 Lbs
MAX. SPEED	12 Knots
CRUISING SPEED	10 Knots
DISPLACEMENT	75,000 Kgs / 165,350 Lbs
CRUISING RANGE	1,500 NM
FUEL CAPACITY	Approx 4,300 Ltrs
WATER CAPACITY	Approx 2,500 Ltrs
BLACK WATER	1 x Blackwater holding tank
GREY WATER	2 x Greywater holding tanks

MACHINERY

ENGINES	1 x 385 hp Scania DI 946 diesel engine Engine extensive service – 2019
GENERATORS	1 x 25 kW Onan 220vAC generator 1 x 17 kW Onan 220vAC secondary generator
OTHER EQUIPMENT	Freshwater cooled engine Electronic throttle controls at both helm stations Engine-mounted alternators Fresh Water: • The hot freshwater circuit is led into a well-insulated hot water tank, heated by engine or 220vAC immersion heater elements • Fresh water filtration system
INVERTER	Mastervolt 1 x 3kW + 1 x 4kW (New 2019)
GEAR BOX	Twin Disc reduction
PROPELLERS	4-Blade MaxProp feathering propeller
SHAFTS	Shaft drive with stainless steel prop shaft
STERN THRUSTER	Hydraulic
BOW THRUSTER	Hydraulic
STEERING SYSTEM	Wheel steering with twin carbon fibre helm wheels
REDUCTION GEAR	Emergency steering gear
ELECTRICITY	24vDC domestic systems with 220vAC via shore-power, generators or inverters
BATTERIES	Battery banks replaced 2019 with 72 batteries and total capacity of 1,900AH Separate battery banks for engine start, generators start, services and electronics. Battery monitoring systems 220vAC battery charging systems
SHORE POWER	Shore power connection with 220vAC sockets
WATERMAKER	Omosea 230l/h 220vAC reverse osmosis
PUMPS	Bilge pumps
BILGE SYSTEM	Bilge alarms
AIR CONDITIONING	Antaria 220vAC reverse-cycle air conditioning throughout interior

ACCOMMODATION

MASTER CABIN	One Master Cabin with en suite facilities and separate head and shower
GUEST'S CABIN	Two Double Cabins with en suite facilities
CREW CABIN	Three Crew Cabins for five crew with en suite facilities
GENERAL ACCOMMODATION	Accommodation Finish: • Interior design by Lazzaarini & Pickering • Cherry joinery with contrasting lacquered carbon fibre and polished stainless steel • Upholsteries in neutral tone cloth or constrasting leather • Stainless steel galley counters • Cherry soleboards throughout Accommodation From Forward: • Large owner's stateroom forward with aft-facing centreline king-size double berth plus separate heads and shower including bespoke carbon fibre and cherry bath. • Twin double guest cabins aft, each with ensuite heads and showers • Main saloon amidships with dinette and seating for 10+ to port and l-shaped sofa seating to starboard. • Galley aft to port with navigation station opposite to starboard. • Crew mess aft of galley to port. • Captain's double cabin opposite to starboard with separate heads with shower. • Laundry & service area aft. • Twin crew double cabins, each with separate heads and shower aft of laundry/service area

GALLEY EQUIPMENT

FAN EXTRACTOR	Custom made extraction hood
COOKER	Miele 4-burner ceramic hob
DEEP FREEZER	Deep Freezer 250 ltrs
OVEN	Siemens oven with grill
MICROWAVE	Miele microwave oven
REFRIGERATOR	Refrigerator 400 ltrs
WINE COOLER	Yes
ICE MAKER	Yes

LAUNDRY EQUIPMENT

WASHING MACHINE	Bosch
DRYER	Bosch tumble

COMMU/TION EQUIPMENT

INTERNET	4G WiFi System
SATCOM SYSTEM	Sailor Inmarsat C Furuno VSAT
VHF	Sailor VHF DSC 6222 Simrad VHF RS8
TELEPHONE	GSM Telephony

NAVIGATION EQUIPMENT

OTHER EQUIPMENT	Multifunction Integrated System (Completely replaced and updated 2019) B&G Multifunction System with 16 Displays
AIS	Yes
GPS	2 x GPS Furuno GP-150
GPS-PLOTER	Yes
RADAR	1 x Raymarine Quantum 2 Doppler radar (2019)
AUTOPILOT	1 x Raymarine Autopilot EV-300 (2019)
ECHOSOUNDER	1 x Simrad forward looking Echo-sounder (2019)
NAVTEX	1 x Furuno NavNet

ENTERTAINMENT EQUIPMENT

OTHER EQUIPMENT	Crestron central Entertainment system Apple TV
SATELLITE	KVH SatTV
IPAD	6 x iPads to control all Lighting, A/C, Hatches, Entertainment System
STEREO SYSTEM	Lynn Amps & Speakers
DVD	BlueRay
TV	4 TVs

TENDERS & TOYS

TENDER	Geniuss 380 3.80m RIB (2019) Yamaha 25HP 4-stroke outboard engine (2019)

DECK EQUIPMENT

OTHER EQUIPMENT	Keel & Rudder: • Lead fin keel externally bolted • Carbon fibre spade rudder Rig: • Carbon Southern Spars Rig • Keel-stepped spar • 4-sets of swept-back spreaders • Stainless steel rod standing rigging – inspected 2019 • Park Avenue Boom • Hydraulics by Meridien • Harken deck hardware • Reckmann Furling Jib • Self-tacking jib • Mainsheet track on raised arch • All rig and deck gear overhauled 2019 Sails: • North Sails 3Di Kevlar fully-battened mainsail – 2014 • North Sails 3Di Kevlar furling self-tacking jib -2014 Flush deck hatches Wide and uncluttered deck spaces Social cockpit with table seating for 8-10 Expansive aft deck for sunbathing Deck Shower Covers & Canvas: • Sun mattresses • Cockpit cushions
WINCH	Harken self-tailing hydraulic winch package – overhauled 2019
STERN PLATFORM	Hydraulic Transom swimming platform creating private beach club and providing access to tender garage
GANGWAY	Hydraulic driven carbon gangway and swimming ladder with lighting
BIMINI TOP	Retractable bimini top extending from mainsheet arch
WINDLASS	Lewmar hydraulic
CAPSTANS	Lewmar capstans hydraulically driven
LADDER	Swimming

SAFETY EQUIPMENT

OTHER EQUIPMENT	General note on safety equipment: Any safety equipment such as liferafts, Epirbs, fire extinguishers and flares etc. are usually personal to the current owner(s) and if being left on-board as part of the sale of a used vessel may require routine servicing, replacement, or changing to meet a new owners specific needs. Safety equipment as per flag requirements
LIFE RAFT	2 x 8-Man liferafts
LIFE JACKETS	Yes
FIRE EXTINGUISHERS	FM200 fire-extinguishing system (Engine Room) Fire-extinguishers (Each Cabin)
ALARM SYSTEM	Smoke/fire alarm system

OTHER EQUIPMENT

ADDITIONAL EQUIPMENT	Heads: • 24vDC electric fresh water flush heads throughout • Hot & cold pressurised water supplies with shower in heads

REMARKS

WALLY B is arguably one of the most iconic sailing superyachts of all time. One of the very first full-carbon constructed superyachts, WALLY B was built by Pendennis in Falmouth UK to designs by Luca Brenta & Co and featuring the most stunning contemporary interior deigned by the Italian Lazzarini Pickering Architetti.

Designed to offer racing yacht performance, with all the comfort of the most luxurious super yachts, WALLY B boasts uncluttered deck spaces, expansive outside seating and sunbathing areas, and the most beautiful 3-cabin for 6 guests, plus crew interior of warm cherry with contrasting exposed lacquered carbon, polished stainless steel and the finest quality leather and cloth upholsteries.

Meticulously maintained since her launch, WALLY B has benefited from a number of major refits, the most recent being in 2020/2021 under her present ownership, including a full paint job and overhaul of all of her Hydraulics, Electronics and Machinery. New set of sales purchased by North Sails 2022.

WALLY B' participated in the Posidonia Cup Regatta 2022 and was the first boat to cross the finish line. She was awarded the "Line of Honor" Cup.

Her specification highlights include:

• Built at Pendennis shipyard under original ABS classification
• Beautiful Lazzarini & Pickering custom leather and exposed Carbon interior
• Full Carbon fibre & Kevlar hull construction
• Carbon Southern Spars rig with Park Avenue boom and self-tacking jib
• Timeless Racer - Cruiser Sailing Yacht with large beam
• Extensively refitted with most recent refit in 2020/2021
• Accommodates six guests in three staterooms and up to 5-6 crew in three cabins
• Full beam Owner's cabin forward
• Unique deck lounge with retractable bimini
• Recent hull and superstructure repaint
• Teak deck replaced circa 2014
• Updated keel fitted - circa 2016
• Hydraulic bow and stern thrusters
• New batteries
• New electronics
• New tender

Broker's Comment:
Iconic recently-refitted carbon fibre superyacht to designs by Luca Brenta and with interiors by Lazzarini Pickering with construction by Pendennis. Truly ahead of her time and build and still leading the way today.

Builder's Comment:
WALLY B is a luxurious Yacht as simple as a dinghy to sail and as fast as a Maxi racer, featuring breakthrough interiors by Lazzarini Pickering Architects that made a bold statement in Yacht design when she was built at Pendennis in 1998.
Winner of the 1999 ShowBoats award "Best Sailing Yacht Under 38m", and the 1999 Super Yacht Design Award "Best Sailing Yacht Under 36m".
Designed by Luca Brenta & Co, she features state-of-the-art styling, design, construction, sail-handling and accommodation. The hull was constructed with the latest materials including carbon, kevlar and high temperature resins. The outer skin being 100% kevlar while the inner skin is all carbon separated by structural foam core - the deck and rig are also 100% carbon.
Featuring Wally's simplified sail handling system, the full performance of this exceptional Yacht can be achieved with the minimum of crew.
